***Feed My Starving Children is a non-profit Christian organization committed to feeding God's children hungry in body and spirit. The approach is simple: children and adults hand-pack meals specifically formulated for malnourished children, and FMSC ships the meals to nearly 70 countries around the world. Each of us will pack about 1 box of food, which equals 216 meals—enough to feed 7 starving children for nearly a month! The cost to FMSC for 1 box of food is about \$50. Consider making an offering to FMSC.***
